Ronnie Tree moved over to the house this morning, and we all went down to Versailles this afternoon. E. had a recurrence of high fever, so she returned to town. She definitely has pneumonia, with marked congestion in the lungs. I stayed the night at Versailles with Ronnie. It was Obby St. Albans' birthday. He is eighty and, before we had finished the evening, was as lively as a young man. The Caraman Chimays, Edwina d'Erlanger, and the Pattens were also there. Jean de Caraman Chimay, who is the Chairman of Veuve Clicquot, said it was the first time he had ever seen a jerobaam of his champagne served at a table.
